Xerox 490/980™
Color Continuous
Feed Printer

Fastest toner based
full color continuous
feed printer

The image shows a green rectangular sign at a trade show. At the top left, the word "xerox" is written in red lowercase letters. To its right is the Xerox logo, a red circle with a white stylized 'X'. Below the logo, the text "Xerox 490/980™" is written in white. Underneath that, "Color Continuous" and "Feed Printer" are written in white on two separate lines. At the bottom of the sign, the text "Fastest toner based", "full color continuous", and "feed printer" is written in white on three separate lines. The background shows a trade show floor with other booths and lights.
